in support of marketing, proposal, and contract negotiations to the ISRO Satellite Center; (7) unclassified technical data for marketing and technical discussions on the SH-2G helicopter to the Indian Navy.

The United States Government is prepared to authorize the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs
